

We trust you are staying safe and healthy during this difficult global pandemic.

While team EDBI has taken strict safe distancing measures including telecommuting work arrangements, we are still actively seeking investment opportunities.

We believe that prudence in managing cash runway is key in the current environment and well managed companies will continue to attract EDBI's interest as a long term investor.

We are pleased that during the last quarter, we welcomed a few innovative companies to the EDBI family - **Doctor Anywhere, ElevateBio and Screening Eagle.**

**Doctor Anywhere** is a leading provider of telehealth services for Singapore and SEA community. [See more.](#)

**ElevateBio**, a fledging company focusing on building and operating top-tier cell and gene therapy companies to advance precision/personalized medicine. [See more.](#)

**Screening Eagle Technologies**, a cloud-based technology platform connecting sensors, software, and data for intelligent inspection of assets and infrastructure. [See more.](#)

During this difficult period, we are encouraged that a number of our portfolio companies are playing their part to support the fight against COVID-19.

**Zilingo** has unlocked capacity to manufacture millions of masks daily in response to the pandemic crisis, Zilingo is focussing its B2B Supply Chain to tackle the global shortage of private protective equipment. [Find out more](#)

**Biofourmis** is using its technology in a remote-monitoring and disease-surveillance program in Hong Kong for patients diagnosed with or suspected to have COVID-19 disease. [Find out more](#)

**Moderna** has commenced the first ever human clinical trial of a potential vaccine for COVID-19. The trial will test the effects of an experimental vaccine developed with US National Institutes of Health to trigger an immune response in the target individual. [Find out more](#)

**Planet labs**'s satellite monitoring has been used to capture images of China's central city of Wuhan showing how successful its quarantine efforts have been in convincing residents at this epicenter to stay home. [Find out more](#)

**Carousell**, has started a movement called #ChooseToGive to encourage Singaporeans to donate items through its platform and show compassion to people in need amidst Covid-19. [Find out more](#)

**Circles.Life** has launched a various packages which encourages Singaporeans to stay home as users practice social distancing indoors. [Find out more](#)

**Structo** has mobilised their resources to contribute towards the fight against COVID-19 and repurposed all available 3D printers in their facilities to focus on manufacturing various medical devices to help battle the coronavirus. [Find out more](#)

**Lark** has made its digital collaboration suite available for free for all enterprises which includes essential work tools like messenger, online docs and sheets, cloud storage, calendar and video conferencing. [Find out more](#)

This is an exceptional time for us all, the EDBI team would like to thank you for your continued support and cooperation as we navigate these trying times together and strive to emerge stronger from it.
